

Request For Proposals
GCDA Conference: March 10, 2017
Theme: *Linking Technology to Career Development*

Call for Proposals opens October 11, 2016

Deadline for Submittal Monday, December 19, 2016

CONFERENCE AUDIENCE:

The audience for The Georgia Career Development Association's conference includes career development counselors & coaches, clinical mental health counselors & therapists, human resources personnel, social workers, corporate relations facilitators, and graduate students. They work in a variety of settings from higher education to private practice, to state & federal agencies, to nonprofit organizations.

CONFERENCE TOPIC AREAS

We encourage submissions that highlight the conference theme, **“Linking Technology to Career Development”** *Please choose from one of the following:*

- Innovative career development programs, research projects, or activities that address and/or have been successfully implemented in the setting of your choice with diverse populations.
- Collaborative, creative, and effective strategies for meeting the career development, HR, or workplace needs of clients in a variety of settings (i.e. Start-ups, retirees, students)
- Effective techniques used to address societal concerns and current issues in the world of work, pertaining to international clients, veterans, career changers, and/or specific populations, etc.
- Application of specific skills, theories or activities in a career development capacity with clients.

By submitting a proposal, the Lead Presenter agrees to these conditions:

I understand that I, and all other co-presenters, must register for the GCDA Conference and pay the appropriate conference fee(s) by the deadline, if we plan to attend any portion of the conference beyond our presentation time.

I understand that if my presentation is accepted, I (or my co-presenter) must have a master's or doctorate degree in counseling or a related field in order for my presentation to be eligible for Continuing Education Units (optional).
